## **REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

**Board of Directors  
Homes for HOPE  
Lancaster, Pennsylvania**

### **Opinion**

We have audited the accompanying consolidated financial statements of Homes for HOPE (a non-profit organization) which comprise the statement of financial position as of December 31, 2024, and the related consolidated statements of activities and changes in net assets, cash flows and functional expenses for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Homes for HOPE as of December 31, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Board of Directors  
Homes for HOPE  
Lancaster, Pennsylvania**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For The Years Ended December 31, 2024 And 2023

---

### (1) NATURE OF ORGANIZATION

Homes for HOPE ("**H4H**") is a 501(c)(3) non-profit organization which works within the building industry forming partnerships with builders, their trade partners and other industry members, to invest in underserved families around the world for their holistic flourishing unto the glory of God. The funds support organizations which work to support biblically based training, loans, and savings services that restore dignity and break the cycle of poverty. The consolidated financial statements include H4H's wholly owned subsidiary, Dignity Builders, LLC. ("**Dignity**"). Dignity was established to invest in microfinance institutions (See Note 4).

### (2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### ***BASIS OF ACCOUNTING***

The financial statements of H4H have been prepared on the accrual basis of accounting. All material intercompany accounts and transactions have been eliminated.

#### ***CASH AND CASH EQUIVALENTS***

H4H considers all unrestricted, highly liquid investments with an initial maturity of three months or less to be cash equivalents.

#### ***NET ASSETS***

H4H reports its resources, according to externally (donor) imposed restrictions, in the following categories:

***Net assets without donor restrictions*** include the revenues and expenses associated with the principal purpose of H4H.

***Net assets with donor restrictions*** include contributions for which donor-imposed restrictions have not been met.

As of December 31, 2024 and 2023, H4H has only net assets without donor restrictions

#### ***INCOME TAXES***

H4H is a non-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and has been classified as an organization that is not a private foundation under Section 509(a).

H4H has reviewed the tax positions for each of the open years (2021 – 2023) or expected to be taken in H4H's 2024 fiscal year end tax return and has concluded that there are not significant uncertain tax positions that would require recognition in the financial statements.

### **CONTRIBUTIONS**

Cash contributions are recorded as revenue when received. H4H records unconditional promises to give (pledges) as a receivable and revenue when the pledge is received, net of the discount to present value the future cash flows and to recognize uncollectible receivables. Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose of the restriction is accomplished, net assets with donor restrictions are then classified to net assets without donor restrictions and reported in the statement of activities as “*net assets released from restrictions*,” except for donor restricted contributions whose restrictions are met in the same period are reflected as unrestricted contributions. Contributions include in-kind contributions of rent from a related party for 2024 and 2023 of \$2,400. The corresponding expense is included in office expense.

### **FUNCTIONAL EXPENSE ALLOCATION**

The costs of providing H4H’s program and supporting services have been summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among program and supporting services. Costs are directly charged to a specific activity when the costs pertain solely to such activity. Salaries have been allocated to program and supporting services based on level of effort attributable to program and supporting services. Certain salary related and other operating expenses have been allocated based on salaries incurred by program and supporting services.

### **ACCOUNTING ESTIMATES**

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from the estimates.

### **CONCENTRATIONS OF CREDIT RISK**

H4H occasionally maintains cash in banks in excess of federally insured limits. The accounting standards associated with concentration of credit risk identifies uninsured cash as a concentration of credit risk requiring disclosure, regardless of the degree of risk. The risk is managed by monitoring the financial institutions in which deposits are made.

## **(3) CONTRIBUTION RECEIVABLE**

H4H had pledges receivable totaling \$308,069 and \$328,100 at December 31, 2024 and 2023. The pledges receivable as of December 31, 2024 are expected to be collected within one year. The pledges receivable as of December 31, 2023 were all collected within one year.

## **(4) INVESTMENT IN MICROFINANCE INSTITUTIONS**

As of December 31, 2024 and 2023, the investment in microfinance institution carried at cost was \$273,564. ### (5) RELATED PARTY TRANSACTIONS

On December 31, 2018, H4H received a secured promissory note ("**Note**") from a Director of H4H. The note is for \$3,000,000 with an interest rate of the one-month LIBOR rate plus 3.5% through March 2022. Effective April 2022, the interest rate was modified to the month end SOFR rate plus 3.8%. The interest is payable in arrears on the first day of each calendar quarter, commencing April 1, 2019 and continuing until the entire note is paid in full. The original principal balance is payable from time to time upon settlement for the sale of building lots which are part of the secured mortgaged property. Upon the settlement of each building lot (165 building lots), \$18,182 shall be payable. Regardless of the sale of the building lots the entire principal balance of the note is due December 31, 2030. The building lots will be developed by a company in which the owner is the aforementioned Board of Director of H4H. During 2018, H4H received donated land for a construction project that was reflected as Land Held for Resale. The donated land was from a company 50% owned by a Board of Director of H4H. The purpose of the donation was for a homebuilder to construct and sell an H4H project with the net proceeds being donated to H4H. There were no capitalized costs associated with the project through 2023. In 2023, the land was sold and a gain of \$95,002 was recognized on the consolidated statement of activities and changes in net assets.

During the years ended December 31, 2024 and 2023, H4H received contributions of approximately \$1,169,775 and \$1,186,700, respectively, from companies whose officers are primarily members of the Board of Directors of H4H.

In addition to the grants awarded directly to HOPE during the year ended December 31, 2023, H4H also awarded grants in the amount of \$2,150,000 to the National Christian Foundation which were designated to support HOPE's mission. HOPE has a separate Board of Directors which does not control H4H. In both 2024 and 2023, H4H received administrative services, which are included in professional services expense, from HOPE in the amount of \$22,947. As of December 31, 2024 and 2023, payables to HOPE of \$250,821 and \$11,290, respectively, are included in accounts payable and accrued expenses in the statement of financial position.
